

## BEYOND 2020 KEY FACTS

### BACKGROUND

The World Sustainable Built Environment (WSBE) conference is the world's largest conference on sustainability in the built environment taking place every three years. BEYOND 2020 is the next edition of the WSBE conference and will constitute the final summit of 15 regional conferences that took place between October 2018 and December 2019 with up to 2000 participants from all over the world. BEYOND 2020 was initially supposed to take place on 6-9 June 2020 in Gothenburg (Sweden), but had to be cancelled due to the global COVID-19 situation. The conference will now take place online on 2-4 November 2020.

The mission of the conference is **to link the global building sector to the UN Sustainable Development Goals (UN SDGs)** and to define its role towards the achievement of 2030 objectives.
